MANAGED DISPUTES

Remove fraudulent reviews

WWW.KENECT.COM | TEXT OR CALL: 888-972-7422

Receiving a one-star review for your business can be disheartening. It can also deter new customers from visiting your business. **Kenect's Managed Disputes** is your ally in combating fraudulent reviews and restoring your business's reputation!

What kind of review can Kenect dispute?

- Conflict of Interest: reviews from competitors or former employees
- Off-topic: irrelevant reviews or have nothing to do with your business
- Offensive: bigotry, obscenities, discrimination, threats, lewdness
- Spam: multiple reviews from the same person, advertisements, or URLs

Managed Disputes Benefits

- **Save Time and Effort:** Running a business is busy, so focus on what matters most. With Managed Disputes, get help disputing bad reviews, leaving you free to handle day-to-day tasks.
- **Boost Your Online Image:** Negative reviews can hurt your revenue. Kenect removes them, ensuring a positive online reputation that attracts customers and keeps them coming back.
- **Reviews Matter:** Just one bad review can define your business. Trust Kenect to remove reviews that may be turning away potential customers, especially since 88% of people trust online reviews more than recommendations from their moms.
