

KENECT®

YOUR CUSTOMERS WANT TO TEXT YOU. LET THEM.

WWW.KENECT.COM | TEXT OR CALL: 888-972-7422

Mobile Texting

Text from your existing business phone number. No more giving out your personal cell to customers and being contacted at all hours.

Double Website Leads

Install the Kenect website widget on your website so customers can quickly inquire about your business. You'll watch all the leads pour in!

Video Chat

Show product updates, upsell parts and services, and answer questions quickly and efficiently by video chatting your customers.

Collect Payments

With Kenect, customers can send payment via text in just three clicks. Kenect customers get paid within 48 hours 59% of the time.

Review Management

Typically only 1% of customers leave a review. We can help increase that to 35%. With Kenect, you can send Review Requests with a simple text link.

Managed Services

Let Kenect do the heavy lifting. We'll respond to your text conversations, reviews and even post for you. Take your responses and marketing beyond business hours.

Before Kenect, each account manager had a company phone, which was expensive. Now, each employee just uses the app to text customers which significantly cut costs and made us more organized.
